*Principals' Desk.....*

Welcome to R.K.college - one of the largest constituent Colleges of Lalit Narayan Mithila University - a premier institution, with highly qualified academicians imparting education in arts, science and commerce from Inter to PG level. The College enjoys a reputation for outstanding performance in academics, sports and extra-curricular activities.

My sincere advice to all the admission-seekers to the college is to be disciplined, honest, hardworking and sincere in their studies to reach the pinnacle of success. Our mission is to help our students to grow intellectually, personally and professionally so that they feel internally empowered and compelled to make significant positive contributions to the organizations they serve and to the Nation as a whole.

Rightly Einstein said "Genius is 1% talent and 99% hard work"

The college ensures complete development of the body, the mind and the soul. According to Swami Vivekananda, "Any thing that makes you weak physically, intellectually and spiritually, is to be rejected as poison". We have declared our campus "PAAN MASALA, GUTKA and TOBACCO FREE". NO one is allowed to use these banned items within our premises. In case of violation, necessary action would be taken.

While we take pride in the infrastructural facilities that we have succeeded in providing to our students in recent past, we always strive to do better. We are very much aware of the expectations that our students have from us. I personally assure you that we will do our utmost to make your stay in R.K. College a rewarding and memorable one. I believe in a non-close door- friendly and congenial atmosphere among all sections of R.K. College Community, be it the teaching Faculty, the Non-Teaching Staff or the Students. All problems & issues are openly discussed and reached to a healthy solution.

As a leader of the institution, let me personally assure you all that my doors will always be open for suggestions from you, or for solution to any problem that you may face during your stay in College. Join us in our endeavors to strive towards excellence in all spheres of life with a promise to enhance further the reputation and glory of R. K. College, Madhubani.

Wishing you all the success.

## **R.K. COLLEGE, MADHUBANI : AT A GLANCE**

Ram Krishna College, Madhubani, a Co-educational constituent college of Lalit Narayan Mithila University, Darbhanga situated at the foothills of the Himalaya and in the heartland of Mithila, was established in 1940 by Baboo Ram Krishna Purbey. He envisioned a high class educational institution; an institution that will mould and guide future generations to enlightenment. This dream has come a long way in the last seven decades.

This premier college was established as an Under Graduate college in August, 1940 and was affiliated to Patna University in 1941. Thenceforth, it started teaching in Arts, Science and Commerce catering to the academic needs of the people of this border district and parts of Nepal. This college became a constituent unit of Lalit Narayan Mithila University, Darbhanga in 1975.

On account of excellent academic performances Post Graduate Studies started here in 1983. At present, the college imparts Post Graduate education to students across all the three faculties Arts, Science and Commerce.

Keeping in pace with the demand of globalization, Ram Krishna College provides education related to skill development in Health Care and Retail under the community college scheme. Under UGC scheme the college provides PG diploma, PG Degree course in Human Rights Education, self financing degree courses in Bio-Technology and B.Ed., add on certificate courses in Medical Lab Technology and Entrepreneurship. In addition to the above courses Ram Krishna College has study centres of Indira Gandhi National Open University (IGNOU) and

Nalanda Open University (NOU) in distance mode of learning

Spread over 39 acres of land, this college has more than 10,000 students on rolls. We are privileged to have vibrant, committed and inspiring faculty members in the college. Besides imparting knowledge through their classes our teachers are also engaged in research works that contribute to the University as well as to the society.

The college is administered with the help of devoted and efficient office staffs that delivers prompt assistance to all students. The college boasts of sprawling campus, huge library, technologically enabled AC conference room, spacious lecture theatre, excellent sport facilities and huge examination halls and Shooting range. The entire college is WI-FI enabled internet connectivity. Over the past 75 years our students and faculty members have brought laurels to the institution by excelling in the field of National Politics, science, administration, judiciary, social engineering, painting, drama and literature.

The college has the privilege of having two of its alumni as the Vice Chancellor of L.N. Mithila University, Darbhanga.

### COMMUNITY COLLEGE

The 12<sup>th</sup> Five year plan document of the Planning commission has laid a special emphasis on expansion of skill based programmes in higher education. It recommends setting up of community college (CC) to serve multiple needs, including (i) career oriented education and skills to students interested in directly entering the work force; (ii) contracted training and education programmes for local employers; (iii) high-touch remedial education for secondary school graduates not ready to enroll in traditional colleges, giving them a path to transfer to three or four years institutions, and (iv) general interest courses to the community for personal development and interest.

We feel elevated to inform you that R.K.College is selected by UGC to run the community college, which imparts education in Diploma in Health Care & Retail. The community college provides scholarship of Rs. 1000/-per month to all enrolled students whose attendance is more than 75%.

The community college offers low-cost and high quality education locally, that encompasses both vocational skills development as well as traditional course work, thereby providing opportunities to the learners to move directly to the employment sector or move into the higher education sector. It offers a flexible and open education system which also caters to community based life-long learning needs. It has a synergistic relationship between the community, community college and the job market.

Do not wait to strike till the iron is hot, but make it hot by striking –William Butler Yeats
